Broadband Introductory Computer and Software Education Assistance

- This program is for Delaware Nation enrolled citizens to obtain beginner level computer and software classes provided through a vocational school, community college or other accredited education institution.
- Financial assistance can be provided to each adult Delaware Nation enrolled citizen for up to \$300 per course and up to 3 courses per citizen maximum
- All course costs are paid to the school or facility.
- This program operates on a first come, first served basis depending on availability of funds.
- This program does not cover the cost of tuition for part-time or full-time college course loads.
